This is a promotional display for Dynastone ceramic-coated pans. The display features a large vertical banner on the left with images of a heart-shaped pan, a mini frying pan, and a square pan, each with a callout bubble saying "そのままで食卓に!" (Serve as is!). The banner also lists the pan types: Heart Pan, mini Frying Pan, and Square Pan, along with the "Ceramic Coating" feature. In the center, a white box holds several mini frying pans in their packaging. In front of this box, three individual mini frying pans are displayed on a wooden surface. The front of the white box features a large image of a blue mini frying pan with a fried egg, tomatoes, and carrots, with a callout bubble saying "そのままで食卓に!" and the Dynastone logo at the bottom. To the right, a shelf holds stacks of boxes with price tags for ¥480 and ¥580.
